

Our number one selling cookie cutter is a wonderful family heirloom...your child's hand in a beautiful copper cookie cutter with their name engraved on the handle. Remember when we were children and our Mom's had us put our hands in plaster to keep us small forever. Well today it is not as messy to have a beautiful handprint. All you do is trace (please keep fingers slightly spread as you trace) your child's hand and either mail or fax it to us and we will bend a cutter in the exact shape and size of your tracing. We will then engrave your child's name (please print child's name on tracing) on the handle along with the date of the tracing. It's that simple and no mess. What wonderful gifts these little hands would be for Grandparents, Mom on Mother's Day or anyone that treasures a child. Hand Cookie Cutter cost \$22.00.
